Why a benefit show?

This benefit show is being held due to the rising costs of holding a year-end show like Region 10 Regionals, where special awards, out of Region judges and a catered lunch is included in the entry fee. To make RXXVII feasible for everyone to enter and to be able to continue the show in the future, it is necessary to raise funds for this show in advance so we can offer incentive packages to judges to come and see what Region 10 has to offer.

Awards: Custom designed paper ribbons 1st- 6th, custom commercial rosettes for all sectional champions.

Empire State Live has applied for NAMSHA membership for the open classes. If approved, entries that place either first or second in any of the Open Divisions will earn qualifications to NAN 2009/2010. Please refer to www.namsha.org.

Entries that place either first or second at this show will be eligible to compete at the next Region 10 Regionals Show. Visit www.region10regionals.com for further information.

This show is a participant in the NY Thruway Live Show Series. We will be keeping track of points and at the end of the season, at Region 10 Regionals, we will award High Point Awards for horses/owners who competed at these shows. The show series will include: Buffalo Spring Thaw, Queen City Classic, Hudson Valley Live, Lilac City Live, Hudson Valley Fall Classic and a show in the Albany, NY area (if we can find a hall in time!).

NOVICES

Classes in the Novice division are **not** NAN qualifiers. For this show, a novice is defined as someone who has been live model showing for less than two years and has not won a champion or reserve at an open show. Youth showers age 16 and under are welcome to show in the Novice division regardless of number of years they have been showing. Novice halter classes are judged on breed standards only and are open to OF plastic models only. Test runs, raffle models, OOAK's, connoisseur series, and other rare models cannot be shown in the Novice breed classes. These horses must be shown in the Novice collectibility class only and are not eligible for overall championships. CM by novice entries are also not eligible for overall championships. Also, the novice collectibility class is not eligible for Thruway Series high points.

The Region 10 Novice Performance Program

This show is a participant in the Region 10 Novice Performance Program. A variety of tack, props, and models will be available for novice entrants to borrow to use in novice performance classes. There will be a "designated helper" on hand to assist with any questions about tack fit and appropriate set-up.

Halter Class Guidelines

Entrants may show up to three horses per halter class. Additional horses may be entered for \$1.00 per horse. Place the horse and the dollar on the table. The show hostess will collect the dollars. Proceeds will be donated to Region Ten Regionals. Halter classes will be double-judged for breed standards and either collectibility or workmanship. This means that for halter classes, horses can potentially win two ribbons in the same class – one for breed and one for collectibility or workmanship.

1. Halters are optional for breed classes. If you do use a halter, be sure it is correct for the breed and fits the model correctly.

2. One breed class per horse.
3. Short paragraphs and reference photos are encouraged for rare breeds. Size not to exceed 8 ½ x 11 inches. Please do not place books on the table.
4. Index cards and COA's are encouraged for collectibility. Index cards are *****required**** for Stone horses. If you want your Stone horse considered for collectibility you must provide an index card stating what the model is. A good reference site for Stones is www.stonehorseref.com. Index cards are strongly recommended for Breyers and OF chinas.

Original Finish – is defined as any model that is mass-produced at a factory (i.e. Breyer, Stone, Hartland) and has not been altered in any way after leaving the factory. This includes but is not limited to the use of spray polish, applying black polish to hooves, or adding a glossy finish to a matte model. Touch-ups are permitted if not obvious.

Custom Models – are defined as any model that has been changed from its original form in any media. These classes also include models made by hand.

Artist Resins – are defined as any model, regardless of number in run, which has been home or professionally cast. Original Sculptures also qualify for the resin division. Resins that have been altered after casting still enter the resin classes.

OF China – any factory produced china, porcelain, cold-cast porcelain, or resin models show in the china division. This includes Hagen –Renaker, Japan chinas, OF Breyer porcelains, North Lights, BHR resins, Border Fine Arts, the Starlite Collection, and H&H Winner's Circle OF Resin Line.

CM Glazed China - any china horse that has been altered from its original finish by firing a permanent glaze onto the horse, or uniquely glazed by the factory, sculptor or another artist in a color not released in a regular edition. Cold-painted china or mass-produced resin horses belong in the Custom division.

PERFORMANCE CLASS GUIDELINES

Entrants may show up to two entries per performance class. For any set-up with more than one horse – tag only ONE horse. This horse will be listed in the results and will be the horse to earn the NAN qualification. The remaining horses are considered props.

1. All classes (except pleasure classes) **MUST** have a card explaining what the model is doing. If there is no card with the entry, it will not be judged.
2. Riders/handlers are optional
3. Do not use any solid backgrounds. The horse must be visible from all sides.
4. Calf/animal is required for any stock work.
5. Cart and driver are optional for harness.
6. State level and movement for dressage.
7. State type of outfit for costume

TAGS

Empire State Live will be using the Region 10 Tag Manager system to track entrants horses and generate results. Please visit <http://tags.annsmodeled.com/> to enter your horse list. You can also use the system to print labels for your tags. Horses **MUST** be entered into the system prior to the start of the show. I will be using this system to generate the results for the show. Results generation is going to be much, much easier since I don't have to input everyone's horse lists into Word!

Each shower is responsible for creating their own tags. Avery tags #11062 or equivalent (1 3/4" to 1 3/32" in size) white and stringed should be used. These can be found at any office supply store.

To get a shower number you must contact the "keeper of the numbers", Jackie Arns at drsteggy@drsteggy.com. In your email put your name and email address and request a Region 10 exhibitor number.

Please turn in a list of horses entered either on or before the show day. The list should look similar to this:

Horse Number	Horse Name	Breed	Gender	Finish
--------------	------------	-------	--------	--------

Please list horses in numerical order.
