GUIDELINES OF THE SHOW

LIMITS: The same horses and tack may not be used by two different showers regardless of the division they are showing in.

HALTER CLASSES: Halters are not required, but are allowed. No props of any kind may be used except when showing chinas, where a piece of protective material may be placed under the model. In that instance, the judge reserves the right to have the owner turn the model over to check the other side. If you are showing an unusual breed of horse, you may provide no more than one 8x11 inch sheet of paper for documentation. Three (3) horses per exhibitor in halter classes.

PERFORMANCE CLASSES: Appropriate tack and props are required, use of dolls is optional. A

note explaining your entry is required in all performance classes, except pleasure classes. Two (2) horses per exhibitor in performance classes.

BREED & GENDER DESIGNATION: Please be sure to list the breed of your model on the registration form. Ponies, Drafts, and Warmbloods **must** have an actual breed noted (i.e. Shetland, Clydesdale, Oldenburg). If you are showing an unusual breed, please feel free to provide a description of the breed (a photo is also helpful). This should be no larger than 8" x 11." Please also note if the horse is a stallion, gelding, mare, colt or filly.

ORIGINAL FINISH (OF): For this show it is to be understood to be the original finish model straight out of the packaging. Any mass produced or single produced factory model will fall into this category. Examples are Breyer, Stone, Hartland, etc. Models such as this with tack or props added for a class is still considered OF.

CUSTOMIZED (CM): For this show it is to be understood to be any type of model where anything was changed from the original or was not a factory horse. For example, a model horse that has a blaze added or been fully remodeled/painted is considered custom (CM). Novices must have completed their customized models by themselves.

TIME LIMITS: Three minutes between halter classes and approximately 5 minutes between performance classes at the judges discretion. While ring 1 is being judged ring 2 will be setting up and vice-versa. In an effort to make the day move this will be strictly enforced.

TAGS: This show participates in the Region 10 Tag system. If you do not already have a Region 10 number and would like one, please contact Jackie Arns at drsteggy@drsteggy.com and reference the email "Reg 10 number." Please be sure to register your horses prior to the show at <http://tags.annsmoels.com>. Be sure to print off your show horse list and provide it to the show secretary Saturday AM.

All showers are encouraged to join the Region 10 Tag system. This allows for easy record keeping for both those showing, and those managing the show.

CHAMPIONSHIPS: All first and second places from each class will be called to the ring for a show Championship.

- 1) Please do not touch or pick up a model that does not belong to you. "You break it, you bought it."

NOTES:

- Classes in the show are not NAN qualifiers.
- For this show, a novice is defined as someone who has not won a champion or reserve at a novice or open show. Test runs, raffle models, One-Of-A-Kind's, Connoisseur Series, and other rare models cannot be shown in the Novice classes. CM by novice entries are also not eligible for overall championships.
- For this show, an intermediate is defined as one who would have won championships in Novice classes, but placed low in Open classes.
- Showers are limited to 20 models total. If you are unable to use the Region 10 tag system, please fill out the form at the end of this packet and mail it back to Guy's Farm and Yard by November 5th.

- Horses can show in both Performance classes as well as the Halter classes.
- A horse can be shown in more than one performance class. For example, you could show the model horse “Seabiscuit” in western tack then put english tack on and show him in the english class for a total of two performance classes.
- Horses can enter 2 “Halter” classes. However, horses can only show in one (1) collector class (5, 6 or 7) and are judged on collectability. Then the horse can only show in one (1) breed class (classes 8 - 12) and is judged on the breed standards. So your horse “Seabiscuit” can also enter the TB class for breed and Breyer 2002 to current collectability.
- Customized models must have been completed by the shower.
- Favorite Book/Movie Character horses must be completed by the shower themselves. Please remember to include a description card to go along with the horse.

SPANISH BREEDS: Andalusian, Lipizzan, Lusitano, Paso Fino, Peruvian Paso, Barb, Hispano-Arab, etc.

OTHER SPORT/COACHING BREEDS: Thoroughbred crosses, such as the Anglo-Arab, Irish Sporthorse. Orlov Trotters, Finnhorses, Irish Draught, American, Canadian, Morgan Sport Horses, and Appaloosa Sport Horses also make up the Other Sport Horse division. Coaching breeds include the Friesian, Yorkshire Coach Horse, Cleveland Bay, and Dutch Tuigpaard.

OTHER PUREBRED: Any pure breed that does not fit into any of the listed breed categories, such as Akhal-Teke, American Bashkir Curly, Maremmana, Kathiawari, etc.

HALF/PARTBRED/GRADE: Cross-bred horses that do not fit in any other category listed, as well as horses without a pedigree.

PAINT vs. PINTO: Paint refers to the breed. They are of Thoroughbred or Quarter Horse breeding. Other pinto-colored horses should be entered in their appropriate breed class, whether it be a pony, gaited breed, etc. This also applies to appaloosa/spotted horses. They may not actually be an Appaloosa just because it has spots, as in breeds such as the Colorado Ranger, Knabstrup, and Noriker-Pinzgauer. Please place these in the appropriate classes as well.

Please be specific when listing your horses to be registered. In the past we have had a number of entrants put down “pony” or “warmblood” as the breed. The judge needs to have a specific breed when judging the breed classes, as one breed of pony has different characteristics than that of another pony. It is advised to provide references and photos when showing uncommon breeds. Not only does it help educate the judge to make just pinnings, but also helps to educate fellow showers.
