

GLOBE TROTTERS INTERNATIONAL

Saturday April 14, 2012

Warsaw/Perry NY area

Hosted by Sarah and Jason Whalley

Globe Trotters is sort of a unique show. This one will be an all halter show. There will be an Original finish division, and Artist Resin division and a custom division.

Globe Trotters is divided by the regions on the globe instead of by breed. For example Paint Horses go in the North American Stock class, a Peruvian Paso goes in the South American Gaited class, and a German Warmblood goes in the Western European Warmblood class.

NOTE I will include a list of what countries will be in what region of the world. I do realize that some might be politically or ethnically in a different part of the world. However to keep from overcrowding regions I had to split the countries up in the best way I could. I also considered the breeds of the areas and the differences or similarity of breeds. If you have a question or concern about where I put a certain country please send me a message.

Horses will go in the class that coincides with the country/region that the breed was DEVELOPED in. Other examples are the Shire would go in British Isles draft and the Zebra in Africa exotics

In regards to mixed breeds where the horse is two breeds from two different country regions. The horse will go in the region that best suits the horses body type. For example a horse that is a Thoroughbred Paint cross. The horse would go in British Isles mixed breeds as it would have more the body type of a TB than a Paint. One exception is ALL Arab crosses except the Arraloosa goes in the Asian mixed breeds.

If you have any questions on placement please contact me. I will have a list of world breeds for those who need it.

There is an OPEN division and a NOVICE division. The novice division will mirror the Open however it will not have as many classes. Anyone showing in Open cannot show in novice.

OPEN SHOWERS

Entrants are limited to three(3) models per class. Buy ins for a buck will be considered the day of the show. OF ring includes all original finish plastic and chinas and mass produced resins. AR ring is for artist resins only. Cm is for all custom plastic and china horses. There is no limit to the number of horses you can bring however lease be reasonable with the number you bring as we would like to keep the show moving along.

The OPEN show is applying for NAMHSA membership and will hopefully be a NAN qualified show.

NOVICE SHOWERS

Novice is not NAN qualified. Entrants are allowed two(2) models per class with no limit to how many horses you bring. Again please be reasonable to keep the show moving along. Also the person judging novice is showing in Open.

The show will start at 9 am. This goes for both open and novice. Show hall will be open by am for those to come in and start setting up. Coffee tea and bagels or donuts will be provided in the morning. For lunch we will be ordering pizza and wings from a local place. If you do not want pizza the place also makes subs. Soda and water will be provided for lunch.

JUDGES

As per rules no judge shall show in the division they are judging. That said I still need a few more judges. Currently I have a novice and CM Workmanship judge. I need three or four more. Judges receive free entry to the show and free lunch.

AWARDS

Currently paper flats will be used to award places 1st through 6th in each division. Double ribbons will be awarded for section champs and rosettes for top tens For novice paper flats will be used for places 1st through 6th Ribbon flats will be awarded for section champs and rosettes for top five or ten. This will depend on how many showers there are.
