Show begins at 9am. Muffins and coffee/tea will be available in the morning for a small donation.

This show is to be held at our home and parking and exhibitor table space will be limited. Showers are asked to carpool if at all possible to save parking spaces. Please let Kate know who you are carpooling with or if you are driving alone. We have room for only 20 showers who will share ½ of a 6 ft table. Please bring your best horses and if you have too many to fit on your table space at one time, plan to keep them packed and stored when not up for judging. There is more space available for showers showing mainly minis—if you are a mini shower, please let Kate know at the time of entry. There are no overall awards offered, so models may be packed after their division has been held.

CLASSLIST FOR BOTH DIVISIONS,

ARTIST RESIN MODELS Table 1

CUSTOM MODELS Table 2

The same classes are offered in each division, double-judged for breed and workmanship. Classes may be combined within a division (AR with AR, CM with CM) if fewer than 5 horses entered in the class by the discretion of the judge and/or showholder.

*Amateur Owner classes follow open classes but do not count towards NAN and RXR Qualification, AO models may show in open classes as well at no additional charge. An AO model is a model done by a shower who does horses for their own showstring as a hobby and does not sell their work or take custom orders. AO classes are judged on breed and workmanship combined. Fun Honors prizes will be awarded.
